The Fourth of July has passed and was celebrated in a sane way in our neighborhood. Wheat heading was the order of the day and headers running in almost every direction.

We had our share of rain last week: two of the heaviest rains we have seen fall in Beaver county fell last week. They washed out a lot of row crops. Farmers are having a difficult time in getting a stand of these crops this year.

#### Education Invaluable.

Education is a companion that no misfortune can depress, no climate destroy, no enemy alienate, no despotism enslave; at home a friend, abroad an introduction, in society an ornament, in solitude a solace. It chastens vice, guides virtue, and gives at once grace and government to genius. Without it, what is man? A splendid slave, a reasoning savage, vacillating between the dignity of an intelligence derived from God, and the degradation of passions participated by brutes.—Coleridge.

### Beware of Ointments for Catarrh that Contain Mercury

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by P. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by P. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Some of our favorite nursery rhymes can be traced back many hundreds of years. "Sing a Song of Sixpence" was popular in the sixteenth century. "Three Blind Mice" was sung in the reign of James I. "The Frog and the Mouse" amused the children in the days of Queen Elizabeth. "Girls and Boys Come Out to Play" was well known in the reign of Charles II, and the immortal "Humpty Dumpty" perhaps is of the greatest antiquity.

#### Art of Memory.

The best way to remember a thing is thoroughly to understand it and often to recall it to mind. By reading continually with great attention, and never passing a passage without understanding and considering it well, the memory will be stored with knowledge, and things will occur at times when we want them, though we can never recollect the passage or from whence we draw our ideas.

## COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst."

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I fattened up, and grew so much stronger in three months, I felt like another person altogether."

Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.
